A 2 week session at Dramarama is all about creativity and self-expression! Workshops in drama, dance, arts and crafts, and theatre production take place each morning while the afternoon is spent working in small groups to collectively create short plays. Leaders and counselors are local teachers, students, and theatre lovers, and are often Dramarama alumni themselves.

You are invited to join us on the final day of camp to see your child's hard work come to life on stage! Shows are held in both the morning and the afternoon of the final day.

Health and safety protocols in regards to COVID-19 will be updated regularly with direction from Southwestern Public Health and the Province of Ontario. **Campers 12 years or older are required to show proof of double vaccination.**

*Registration refunds will only be granted until June 18th, 2022 providing administration is able to fill the open spot.
